Members Travel Information

- Always bring a second form of payment in case your Debit card has a block placed
- Make sure you notify us of any changes in phone numbers so we can contact you if a block is placed
- Notify all of the institutions where you have a Debit or Credit card that you will be using while traveling
- If you have access to your email while on vacation and for any reason your card is not working you can contact the credit union at ddcu@sault.com

You can also fax whatever information you have to us at 906-493-5168

- The phone numbers for Card Member Security are:
 - In US 888-241-2440
 - Outside US 909-941-1034

*You may also receive an email from Card Member Security if they could not reach you by phone.

IMPORTANT NOTICE REGARDING OVERSEAS TRAVEL

If you plan on using your debit card to withdraw cash from ATM machines while overseas you may only be able to withdraw the funds from your checking account. Most overseas ATMs do not allow withdrawals from savings accounts. For your own security, you should make any necessary telephone or online transfers to your checking account prior to leaving the U.S.
